Visitor schedule

The Harbor Workshop opens at 09:00 and closes at 18:00.

Lin is responsible for the daily opening checklist.

Group visits must be registered one day in advance.

Equipment checklist

Inspect all 24 adjustable lamps before each exhibition.

Check lamp quantities, colour temperature reports and warranty files.

Store the two-year warranty files in the equipment archive.

Closing handover

Before closing, count all lamps and check the power switches.

Attach the inspection photographs to the handover record.

Record unresolved issues and notify the next shift supervisor.
